

## Arizona School Boards Association Code of Ethics for School Board Members

The ASBA Board endorses the following code for local school board members:

As a member of my local Board of Education I will strive to improve public education, and to that end I will:

- Attend all regularly scheduled Board meetings insofar as possible, and become informed concerning the issues to be considered at those meetings;
- Recognize that a board member should endeavor to make policy decisions only after full discussion at publicly held Board meetings;
- Render all decisions based on the available facts and my independent judgment, and refuse to surrender that judgment to individuals or special interest groups;
- Encourage the free expression of opinion by all Board members, and seek systematic communications between the Board and students, staff, and all elements of the community;
- Work with other Board members to establish effective Board policies and to delegate authority for the administration of the schools to the Superintendent;
- Communicate to other Board members and the Superintendent expression of public reaction to Board policies and school programs;
- Inform oneself about current educational issues by individual study and through participation in programs providing needed information, such as those sponsored by my state and national school boards association;
- Support the employment of those persons best qualified to serve as school staff, and insist on a regular and impartial evaluation of all staff;
- Avoid being placed in a position of conflict of interest, and refrain from using my Board position for personal or partisan gain;
- Take no private action that will compromise the Board or administration, and respect the confidentiality of information that is privileged under applicable law, and
- Remember always that my first and greatest concern must be the educational welfare of the students attending the public schools.
