the Border**

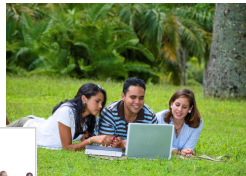

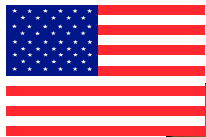

**Foundation**

**VISTAL GOLF COURSE DESCRIPTION:** Nestled at base of South Mountain offering eighteen holes of championship golf with amazing views of downtown Phoenix and the Valley of the Sun. Completely re-designed and built by PGA Tour Design Services in consultation with local PGA Tour players Tom Lehman, Billy Mayfair, & Howard Twitty. This par-71 course features challenging holes and over 80 well-placed bunkers and includes desert hazards, water features, and mountain-side elevations. As important as the course is the atmosphere, we believe having a good time is most important. Classic rock music is piped throughout the facility and the practice area to set the tone. Visit their website: <http://www.vistalgolfclub.com/>

**Hands Across the Border Program is a non-profit organization dedicated to improving cultural sensitivity, understanding and academic achievement among students from the U.S. and Mexico. There are over 35 member schools from Arizona, Michigan, California, and Montana involved in short term education student exchanges. Each school is matched with a Sonora, Mexico, school, making it one of the most unique structured programs in the U.S.**

# HANDS ACROSS THE BORDER FOUNDATION

**A Bicultural Experiment:**  
**Small steps leading to giant steps.**  
 In 1981 Gene Brust, Superintendent of the Palominas School District, launched the first intercultural exchange between Palominas and a school on the Sonora side in Arizpe. With the support of the Superintendent of the Arizpe School, Arturo Silva, the program quickly caught on generating interest from schools, families and the media on both sides of the border. Today there are 100+ school programs in the U.S. and Sonora, Mexico.
